Hi Tom

I'm sorry for the delay in my reply . Please see attachment for the answer of your questionnaire and its supportive documents. I hope to receive your feedback and determination soon.

Once again, please accept our appreciation for all your help.

Regards
Terry

Thank you for talking with us the other day. We look forward with working with you to determine if the operations you have planned near Ft. White require wastewater permitting actions. Attached is a list of questions that we have put together to help us gather the necessary information.

Additional information may be necessary after we receive your answers to these initial questions.

If you have any questions for us please do not hesitate to call or email.

Thanks again for working with us,
